

## Welcome Back from Student Services!

Dear Sugar Creek families,

Welcome to the 2019-20 school year! The Sugar Creek Student Services Team is here to support your child's academic and behavioral success! We coordinate the school's Positive Behavioral Interventions and Supports (PBIS) and may reach out to you if we have ideas for how we may help to support your child to be successful at school. If you have school-related concerns about your child, please contact your child's teacher first. Then, if the teacher indicates to you that a Student Services Team member would be helpful to get involved, please feel free to contact us!
